- 2.1 Any quotation given by the Supplier will be valid for thirty (30) days from and including its date, and will constitute an invitation to treat and not an offer.
- 2.2 The Order constitutes an offer by the Customer to purchase Goods and Services from the Supplier on these Conditions. A contract for the supply of Goods and Services by the Supplier to the Customer on these Conditions will be formed when the Supplier accepts the Order by issuing an Order Acknowledgement to the Customer. The Supplier is under no obligation to accept the Order.
- 2.3 No Order which has been accepted in accordance with Condition 2.2 may be cancelled by Customer except with the agreement in writing of the Supplier and on terms that the Customer shall indemnify the Supplier in full against all loss (including loss of profit) costs (including the cost of all labour and materials used) damages charges and expenses incurred by the Supplier as a result of the cancellation.
- 2.4 These Conditions are the only terms and conditions on which the Supplier will supply goods and services to the Customer and will apply to the exclusion of all other terms and conditions including any terms and conditions which the Customer purports to apply under any purchase order, confirmation of order or similar document (whether or not such document is referred to in the Contract) and any terms and conditions which may otherwise be implied by trade, custom, practice or course of dealing.

- 2.6 Delivery or commencement of the performance of the Services will be deemed conclusive evidence of the Customer’s acceptance of these Conditions.
- 2.7 The Supplier will be entitled, at its discretion, to deliver Goods by separate instalments. The Supplier will be entitled to invoice the Price for each instalment separately in accordance with Condition 8.5. Each instalment will be deemed to be a separate contract and no cancellation or termination of any one contract relating to an instalment will give the Customer the right to cancel or terminate any other contract.

3. THE GOODS

- 3.1 To the extent it affects fit, form or function the Supplier will obtain the Customer’s prior approval in order to:
 - 3.1.1 vary the design, finish or Specification of Goods and/or their packaging; and/or
 - 3.1.2 substitute any materials or parts which are used in Goods and which are unavailable for any reason with alternative materials or parts, unless the variation or substitution is necessary to comply with Applicable Law, in which case the Supplier will use reasonable endeavours to give the Customer prior

written notice of any such variation or substitution.

3.2 With the exception of the Specification, all samples, drawings, descriptive and illustrative matter and advertising issued or published by the Supplier (or the manufacturer of the Goods) are for the sole purpose of giving an approximate idea of the relevant Goods.

3.3 The Contract is not a sale by sample.

3.4 To the extent that the Goods supplied hereunder are subject to the UK WEEE Regulations WEE/HE0048TZ, it is agreed upon the sale of all Goods which are electrical and electronic equipment ("EEE") the Customer accepts the financial obligations for removal, collection, recovery and recycling of the EEE once it becomes waste and for any replaced EEE provided to the Customer.

3.5 If Goods are made to a specification, instruction or design supplied by the Customer or any third party on behalf of the Customer then:

3.5.1 the suitability and accuracy of that specification, instruction or design will be the Customer's responsibility; and

3.5.2 the Customer will indemnify the Supplier against all loss, damage or expense (including legal costs on a full indemnity basis) which it may incur in any country by reason of the Goods being made to such specification, instruction or design (including by reason of any infringement or alleged infringement in any country of any third party's Intellectual Property Rights).

3.6 The Supplier is not in a position to check or confirm that the use and/or operation of Goods in any particular location or in any particular manner does, or does not, comply with all applicable radio, usage of spectrum or other related licensing laws, rules or regulations applicable in and/or to the Customer's area of operations. The Customer accordingly agrees that this is the Customer's sole and exclusive responsibility.

3.7 Where the Supplier supplies or otherwise makes available to the Customer software in which the Supplier owns the Intellectual Property Rights (whether such software is integral to any Goods or not), the Customer and the Supplier shall comply with their respective obligations in the Supplier's EULA, and the EULA is hereby incorporated into these Conditions. In the event of any conflict between the terms of the EULA and these Conditions in relation to any such software, the provisions of the EULA will take precedence.

4. DELIVERY

4.1 Unless otherwise specified in the Order Acknowledgement, the Goods will be Delivered FCA Suppliers premises (as such term is defined in Incoterms 2020, and as from time to time updated). Delivery of the Goods will be deemed to occur when the Supplier completes its Delivery obligations under that Incoterm or as otherwise set out in the Order Acknowledgement. To the extent that the Order Acknowledgement sets out that the Goods will be Delivered pursuant to an Incoterm 2020, and where there is any conflict or inconsistency between Incoterms 2020 and these Conditions, Incoterms 2020 will take precedence.

4.2 The Supplier will use reasonable endeavours to Deliver the Goods on the estimated date set out in the Order Acknowledgement, but time for Delivery of the Goods will not be of the essence of the Contract. Any Delivery dates given by the Supplier are estimates only.

4.3 If the Goods have not been Delivered under Condition 4.1 within 40 Business Days from and including the estimated Delivery date set out in the Order Acknowledgement, the Customer will notify the Supplier in writing and, if the Supplier fails to Deliver the Goods within a further 20 Business Days of the Customer's written notice, the Supplier will refund to the Customer any monies which the Customer has already paid to the Supplier under the Contract for the Goods. The Customer will not otherwise be entitled to cancel the Contract or to reject any Goods by reason of a delay in Delivery or failure to Deliver.

4.4 If Delivery occurs but the Customer fails to accept delivery of, or to collect, the Goods, the Supplier will be entitled to:

4.4.1 store or arrange for storage of the Goods until the Customer accepts delivery of them or they are disposed of under Condition 4.4.2 (as applicable) and to take such action as it considers necessary to attempt to re-deliver the Goods to the address specified in the Order Acknowledgement;

4.4.2 treat the Contract as repudiated by the Customer and dispose of the Goods in any way it sees fit, including by sale to another person. If the Supplier sells any of the Goods under this Condition 4.4.2 at a price which is less than the relevant Price plus any relevant packaging, insurance, carriage and delivery costs, the Supplier will be entitled to charge the Customer for the shortfall; and

4.4.3 charge the Customer for all costs and expenses which the Supplier incurs under Conditions 4.4.1 and 4.4.2.

4.5 The Customer will ensure that any Goods and/or Services that the Customer purchases or receives from the Supplier under the Contract will not be received, imported, exported, re-exported, transferred, sold or used except in compliance with (i) all Applicable Laws, regulations, orders and requirements relating to import, export control and sanctions, as they may be amended from time to time, including without limitation those of the United States of America, the European Union, the United Kingdom, and the jurisdictions in which the Customer and the Supplier are established, conduct business or from which the Goods and/or Services may be supplied; and (ii) the requirements of any licences, authorisations or licence exceptions relating to the receipt, import, export, re-export, transfer use or sale of the Goods and/or Services.

5. EXPORT

5.1 Any quotation, contract and performance of the work proposed is subject to receipt of a valid, authorised export licence from the UK Government, as applicable.

5.2 Any estimated dates for Delivery of the Goods and Services will be subject to: (i) any necessary documentation to be provided by the Customer to support an export licence, including but not limited to end user information, and end user undertaking as required and information of any third parties; and (ii) the receipt of a valid export licence from the UK Government.

5.3 The Supplier shall have no liability to the Customer in the event an export licence is not issued.

6. INSPECTION AND ACCEPTANCE

6.1 The Customer will inspect the Goods on Delivery and will within 10 Business Days from and including the date of Delivery give written notice to the Supplier of any breach of the warranty in Condition 9.1 in relation to those Goods.

6.2 If the Customer does not give notice to the Supplier under Condition 6.1 in respect of the Goods, the Customer will be deemed to have accepted the Goods on expiry of the 10 Business Day period from and including the date of Delivery.

7. PASSING OF RISK AND RETENTION OF TITLE

7.1 Risk of damage to or loss of the Goods will pass to the Customer on Delivery.

7.2 Subject to Conditions 7.3 and 7.4, legal and beneficial ownership of the Goods will not pass to the Customer until the Supplier has received in full in cleared funds:

7.2.1 all sums due to it in respect of the Goods; and

7.2.2 all other sums which are or which become due to the Supplier from the Customer on any account whatsoever.

7.3 The Customer may resell the Goods if that is in the ordinary course of its business and, if it does so, legal and beneficial ownership of Goods will pass to the Customer immediately prior to the Customer entering into a binding contract for the sale of those Goods.

7.4 The Supplier may, by giving written notice to the Customer, pass legal and beneficial ownership of the Goods (or any of them) to the Customer at any time before such ownership would otherwise have passed to the Customer.

7.5 Until ownership of the Goods has passed to the Customer, the Customer will:

7.5.1 hold the Goods on a fiduciary basis as the Supplier's bailee;

7.5.2 store the Goods (at no cost to the Supplier) separately from all other goods of the Customer or any third party in such a way that they remain readily identifiable as the Supplier's property;

7.5.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;

7.5.4 maintain the Goods in satisfactory condition; and

7.5.5 keep the Goods insured for their full price against damage or loss on an "all risks" basis.

7.6 The Customer's right to possession, use and resale of the Goods will terminate immediately if, before ownership of the Goods passes to the Customer in accordance with Conditions 7.2, 7.3 or 7.4:

7.6.1 the Customer becomes Insolvent;

7.6.2 the Supplier gives the Customer written notice that it has any reasonable concerns regarding the financial standing of the Customer;

7.6.3 the Customer fails to pay any sum due to the Supplier under the Contract on or before the due date;

7.6.4 the Customer encumbers or in any way charges any of the Goods; or

7.6.5 the Contract expires or terminates for any reason.

7.7 Once the Goods are Delivered to the Customer, the Supplier will be entitled to recover payment for the Goods (including by way of an action for the price) notwithstanding that ownership of any of the Goods has not passed from the Supplier.

7.8 The Customer grants, and will procure that the owner of any third party premises grants, the Supplier, its agents, employees and subcontractors an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Customer's right to possession, use and resale has terminated, to recover them.

7.9 Where the Supplier is unable to determine whether any goods are the Goods in respect of which the Customer's right to possession, use and resale has terminated, the Supplier will be deemed to have sold all goods of the kind sold by the Supplier to the Customer in the order in which they were invoiced to the Customer.

7.10 If the Customer's right to possession, use and resale of the Goods terminates in accordance with Condition 7.6, the Supplier will be entitled to issue the Customer with a credit note for all or any part of the price of the Goods together with value added tax thereon.

7.11 The Supplier's rights contained in this Condition 7 will survive expiry or termination of the Contract however arising.

8. PRICE AND PAYMENT

8.1 The Customer will pay the Prices and Charges to the Supplier in accordance with this Condition 8.

8.2 Depending on the method of Delivery and where set out in the Order Acknowledgement, the Prices and Charges may be exclusive of packaging, insurance, carriage and delivery costs and Expenses and, in such case, these may be payable by the Customer in addition to the Prices and Charges.

8.3 Any sum payable under the Contract is exclusive of VAT (and any other similar or equivalent taxes, duties, fees and levies imposed from time to time by any government or other authority) which will be payable in addition to that sum in the manner and at the rate prescribed by law from time to time.

8.4 The Supplier will be entitled to vary the Prices and/or Charges at any time by giving written notice to the Customer to reflect any variation in the cost of supplying the Goods and/or Services which arises as a consequence of: (i) any change in Applicable Law; (ii) any variation in the Customer's requirements for the Goods and/or Services; (iii) any information provided by the Customer being inaccurate or incomplete; or (iv) any failure or delay by the Customer in providing information.

8.5 Unless otherwise notified to the Customer by the Supplier (for example where the Supplier has notified the Customer that the Goods/Services require upfront payment or where the Supplier exercises its discretion to ask for upfront payment where the Supplier has concerns about the Customer's creditworthiness), the Supplier will invoice the Customer for the Prices for the Goods and any packaging, insurance, carriage and delivery costs payable by the Customer in addition to the Prices and the Charges and any Expenses payable by the Customer in addition to the Charges following Delivery.

8.6 Each invoice will be payable by the Customer within 30 days following the date of the Supplier's invoice. All payments will be made in pounds sterling (or such other currency as may be stated on the Supplier's invoice) in available cleared funds by electronic transfer to such bank account as the Supplier may nominate from time to time.

8.7 Notwithstanding any purported contrary appropriation by the Customer, the Supplier will be entitled, by giving written notice to the Customer, to appropriate any payment by the Customer to any invoice issued by the Supplier.

8.8 If any sum payable under the Contract is not paid on or before the due date for payment, the Supplier will be entitled to charge the Customer interest on that sum at 8% per annum above the base lending rate from time to time of the Bank of England from the due date until the date of payment (whether before or after judgment), such interest to accrue on a daily basis.

8.9 If the Customer fails to make any payment due to the Supplier under the Contract or any other contract between the Customer and the Supplier within 10 Business Days after the due date, the Supplier will be entitled to withhold further deliveries of goods and to suspend or terminate provision of the services until that payment has been made (whether the Goods/Services under the Contract or whether the goods/services under any other contract).

8.10 If the Customer becomes Insolvent all invoices issued by the Supplier will immediately become due and payable.

8.11 Save as otherwise expressly provided in these Conditions or required by law, all payments to be made by the Customer to the Supplier under the Contract will be made in full and without any set-off or any deduction or withholding including on account of any counter-claim.

8.12 Following expiry or termination of the Contract:

8.12.1 the Supplier will be entitled to invoice all Prices and Charges and any packaging, insurance, carriage and delivery costs and Expenses incurred which have not yet been invoiced; and

8.12.2 all invoices (including any invoices issued under Condition 8.12.1) will become immediately due and payable by the Customer.

9.7.3 the full Prices and Charges have not been paid by the due dates;

9.7.4 the relevant defect was caused by damage in transit after Delivery;

9.7.10 The breach occurs as a result of any alteration, servicing or repair carried out by other than the Supplier or skilled operators approved and authorised by the Supplier.

10.5 If the Supplier is prevented from performing the Services in the circumstances set out above, the Service Notice will lapse, and the Supplier will endeavour to perform the Services as soon as reasonably practicable once the Customer proves to the Supplier's reasonable satisfaction that the circumstances are such that the Services can be performed.
